Within South Cambridgeshire District only Parish Councils can apply for Neighbourhood Area designation. These will be the 'qualifying body' in this District – a term used in the regulations for Neighbourhood Planning. As the Local Planning Authority, South Cambridgeshire District Council (the Council) may need to undertake various periods of statutory consultation on your proposals.

8 Proposed Neighbourhood Area
The parish boundary might provide a good basis for a Neighbourhood Area but this is not obligatory. You must state why you consider the boundary you have proposed appropriate for designation. Without this information, your application cannot be processed.

Also, you must provide an Ordnance Survey Map showing clearly the boundary of the proposed Neighbourhood Area. Your application cannot be processed without a map. If you need help to prepare a map please contact Neighbourhood.Planning@scambs.gov.uk or call 01954 713182

The proposed Neighbourhood Area is based on the parish boundary. The parish boundary is the area within which the Parish Council is consulted on planning matters and the area within which consultation took place on whether the community wished to prepare a Neighbourhood Plan. It is justified by the catchment area for walking to local services, with 82% of households in the parish being within a one mile walk of the facilities in the High Street. With the exception of just a single farm, no households in neighbouring parishes are within a one mile walk of the facilities in Bassingbourn High Street. To the north, the parish boundary crosses open land belonging to Bassingbourn Barracks. Since this is restricted land to which the public do not have access, this is an infrastructure feature which limits the extent of the settlement to the north. All the buildings on Bassingbourn Barracks are within the parish of Bassingbourn-cum-Kneesworth and hence within the proposed Neighbourhood Area. To the south the parish is bounded by the A505 dual carriageway which is also the County boundary. To the east on the boundary with Whaddon parish and to the west on the boundary with Litlington parish there are open fields which are features forming a natural separation between the villages.

9 Local publicity about your proposal to prepare a Neighbourhood Plan
Please tell us what you have done so far to let your local community (e.g. residents, landowners, businesses) know you are considering preparing a Neighbourhood Plan for the proposed neighbourhood area. For example have you run public events, placed articles in the local press, made efforts to reach isolated residents?

The suggestion for a Neighbourhood Plan first came from a member of the community. Consultation with the community on whether to prepare a Neighbourhood Plan included posters on five village noticeboards, articles on the Bassingbourn website www.bassingbourn.org, and articles in our parish newsletter, *The Village Voice*. *The Village Voice* is delivered by volunteers to every household in the parish and to many businesses as well. In selected areas, including parts of North End and parts of Kneesworth, this was supplemented by a door-to-door questionnaire. One hundred and twenty six people responded giving their support to a Neighbourhood Plan with nobody against producing a Neighbourhood Plan. In a further consultation on whether the Neighbourhood Area should be based on the parish boundary, all the respondents wanted it to be based on the parish boundary. Additionally the Bassingbourn-cum-Kneesworth Parish Clerk has written to neighbouring parish councils for their view. Whaddon Parish Council queried whether a joint plan would be appropriate but acknowledged that there are significant differences between the two parishes. Applying the government guidance indicates that a joint plan is not appropriate in this instance but it is proposed to continue dialogue with Whaddon Parish Council as the Neighbourhood Plan for Bassingbourn-cum-Kneesworth is developed.

Application for Neighbourhood Area designation

This is the first formal step in the development of a Neighbourhood Plan – a Neighbourhood Area must be designated before a Neighbourhood Plan can be developed. We recommend discussing your objectives with Council officers prior to completing this form, to ascertain whether this is the most appropriate vehicle for you and what support is available to develop your Plan. Working with neighbouring parishes with similar issues could reduce the workload and increase the pool of expertise and knowledge needed for the production of a Neighbourhood Plan.

Community engagement and consultation may need to take place before making an application to designate a Neighbourhood Area. Does the local community support the production of a Neighbourhood Plan? What are the issues as they see them? What Neighbourhood Area boundary options have they been given? Have they expressed a preference? Details of this community engagement should be detailed in Question 9.

Qualifying Body (sometimes referred to as the ‘relevant body’)

Applications must include a statement confirming that the parish council is the qualifying body.

Your application is not complete without this information.

Areas with no parish council

Parish meetings can either get involved with the Neighbourhood Planning in an adjoining parish or apply to the Council to be designated as a Neighbourhood Forum, which can prepare its own Plan. If you think this applies to you, please contact the Council for assistance.
