Following the recent announcement about the upcoming general election on Thursday 4 July, we've had to make some last minute changes to your regular South Cambs Magazine. This is to ensure we work within the rules around Council publicity ahead of an election. So, this short bulletin only contains the regular recycling and waste information, plus an important advert about Voter ID requirements. The full-size Summer 2024 edition will be delivered to residents after the general election. Thank you for your understanding.

Bin collection calendar

Bins must be put out by 6am on your collection day. Close lids fully. Please report missed collections between 3:30pm on collection day and 3:30pm the next working day. For advice on how to leave out extra recycling for collection and other policies, see www.scambs.gov.uk/bins

NEVER BIN BATTERIES OR VAPES.
They cause fires in our bin lorries, and must be recycled separately.

Vapes can be taken back to vape shops or to the large Household Recycling Centres for recycling. Small household batteries can be put in a small plastic bag, tied shut and left on the top of your bin on collection day.

Larger batteries such as e-bike batteries should be taken to Household Recycling Centres.
