CONCLUSION: South Cambridgeshire District Council has issued an initial confirmation that the submission version Pampisford Neighbourhood Plan meets the legislative requirements.

Where the draft neighbourhood plan submitted to a local planning authority meets the requirements in the legislation, the Local Planning Authority must publicise the neighbourhood plan for a minimum of 6 weeks, invite comments, notify any consultation body referred to in the consultation statement and send the draft neighbourhood plan to independent examination. Following examination, the Council will determine whether or not the plan is ready for a public referendum or if further modifications are required (Schedule 4B of the Town and Country Planning Act 1990 (as varied by s38A & 38C of the Town and Country Planning Act)).
