1 Introduction

This Equalities Impact Assessment (EqIA) was solely undertaken by South Cambridgeshire District Council (SCDC) and is reproduced here to be reported as part of the SA.

The EqIA was revisited following the proposed modifications to the Local Plan in February 2014. The council concluded that none of the proposed changes are of significance for the EqIA. Therefore the previous assessment findings, documented in this report, remain pertinent.

They have a specific impact on the Council's Members and staff, who are responsible for their development and implementation of the Local Plan.</p>
