

Girton Wood Site Map

Figure 1. Location of Girton Wood, to the South West of Histon and Impington

Figure 2. Google maps satellite view showing Girton Wood together with the hedgerow (including ditch and adjacent scrub) running to the north east from the Wood.

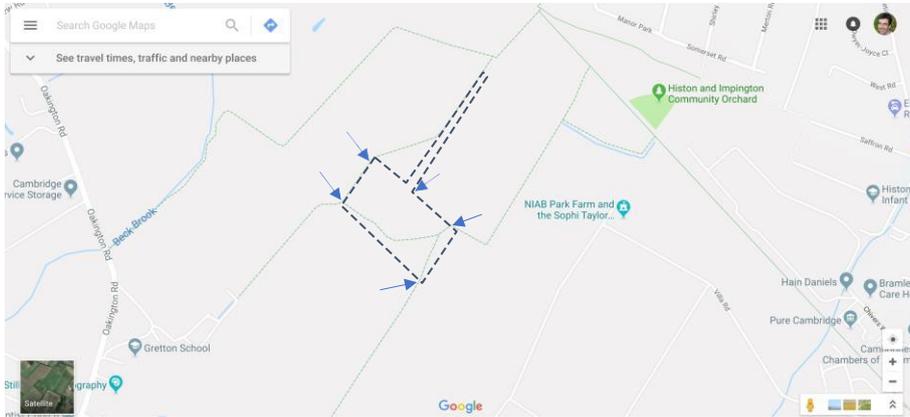

Figure 3. Google maps view of Girton Wood (dashed). Girton Wood, together with the hedgerow to the north east, is 2.8 hectares. The arrows show the five entry points to the wood. The northern boundary is approximately 180m south-southwest of St Audrey's Close.

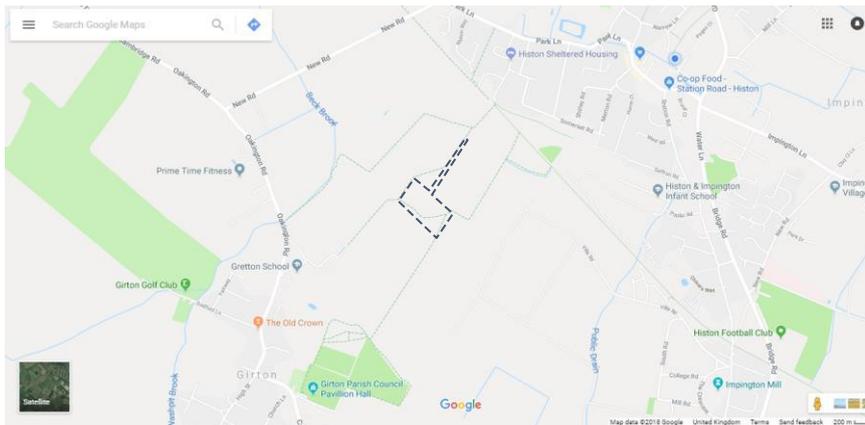

Figure 4. Map showing the network of footpaths (green dashes) connecting Girton Wood (enclosed black dashes) with Histon and Girton. There are valuable round trip walks of various lengths from both Histon and Girton

Commented [JP1]: The entry point midway along the north east side is onto the informal track around the sheep pasture field
